CHANTEL R DEFINED

I'm the proud owner of On Trend Style Weddings and Events since January 2014. On Trend Style specializes in Event and Wedding Planning and all aspects thereof from Co-ordination to on the day Management right through to Styling, Décor and Flowers.

WHY HIRE A WEDDING OR EVENT PLANNER?

Couples/Clients are often confused over how much to spend, where to obtain specialized services and how to go about choosing the best suppliers for themselves... Planning your own wedding or event by browsing the internet is overwhelming, time consuming and expensive!

Not long ago, a Wedding and Event Planner was thought of as a "luxury", now days a planner is an essential element of a well-planned affair. My services are tailored around my clients and we work in whatever way suites you and your lifestyle. Engaging a dedicated planner saves you stress, time and money!

Planners can negotiate deals and discounts with their network of suppliers. A good planner will save you time and enable you to get the most for your money.

A small or big event can take more than 250 hours to plan. With today's lifestyle, you may not have the time to compare all options, making sure you are getting the best deal and value for your money. Planners are there to guide and assist you in making informed, price sensitive decisions.

HOW DO I KNOW I'M HIRING THE RIGHT EVENT PLANNER ?

Chantel R believes it comes down to trust and deciding on a Planner you feel best understands your needs and desires. "Your personalities should match"...
